

Examinee Score Report

You will be limited to five attempts to take a certification test. The five attempts include the first attempt to pass the examination and four retakes. The five attempts include any of the test approval methods (PACT, EPP, out of state, charter, and CBE). All attempts taken before September 1, 2015 count as one attempt. If you choose to register again for the same test after completion of the fifth testing attempt, your scores will not be counted towards certification and you will assume responsibility for test fees paid.
