To Whom It May Concern:

This letter is being written at the request of Madden Murphy, a student currently enrolled at Texas A&M University in the Interdisciplinary Studies Teacher Education Program. Madden is anticipated to graduate in May, 2017 with a B.S. degree in Interdisciplinary Studies.

Madden is currently working towards completing requirements for the Standard Special Education EC-12, Core Subjects EC-6, and ESL Supplemental Certificates. Upon the successful completion of a bachelor's degree, the successful completion of the appropriate Texas Examination of Educator Standards (TExES), and approval by our University Council on Teacher Education, we will recommend to the State Board of Educator Certification that Madden be issued the appropriate certification.

Please contact our office if you have any questions or need additional information.

Sincerely,
